Subjects.	*Resolutions.*
I. Letter dated the 16th November 1908, from Revd. G. W. Sawday, accepting the site referred to in resolution VII of the Board's meeting held on the 28th October 1908.	Recorded.
II. Letter dated the 16th instant, from the same gentleman, requesting the grant of a building site adjoining the above at the rate of two annas per square yard, if site No. 13A in Lakshmipuram Extension is not available.	*Resolved* that Revd. Sawday be informed that he has been more than fully compensated for his land taken by the Board by being given in exchange a much more valuable piece of land of equal extent, and that he cannot reasonably claim any further concession from the Board; that he be also informed that site No. 13A was never promised to him by the late Chairman as imagined by him (*vide* the draft of the letter quoted by Revd. Sawday); and finally that Revd. Sawday be asked to withdraw the letter which has been couched in the most objectionable language, scarcely deserved by the Board which, if anything, has put itself to much inconvenience and cost by trying to accommodate the Reverend gentleman.
III. Proposal to acquire 1 acre, 29 guntas and 49 sq. yds. out of Survey No. 265, and 18 guntas and 64 sq yds. out of Survey No. 266, for the further expansion of the Chetnahalli Extension towards the south-west, with a view to locate the displaced population from the Krishnaraj and other mohallas of the City.	*Resolved* that this piece of land be acquired.
IV. Proposal to shift the conservancy lane a little bit to the north in Block No. 6 of No. II Drainage area, as per plan enclosed.	Adjourned for inspection.
V. Proposal to open a cross road in line with the existing one in Block No. 2 of No. II Drainage area, as per plan enclosed.	Adjourned for inspection.
VI. Petition from Abdul Aziz, praying that 312½ sq. yds. of the Trust land to the north of his house, may be sold to him for constructing a building at a cost of Rs. 10,000.	Adjourned for inspection.
VII. Government Proceedings No. 4742-46—Ml. 69-08-5, dated 20th November 1908, sanctioning a project amounting to Rs. 6,12,620, in connection with the sanitary improvements to be done in the Fort.	Recorded.
VIII. Proposal to close the Mahomedan burial ground to the east of the Chetnahalli Extension, in view of its further expansion.	*Resolved* that the President of the Municipal Council be requested to take action in the matter.
IX. Proposal to reduce the width of the road in Block No. 64, Krishnaraj Mohalla, from 30 feet to 24 feet, as per plan annexed.	Approved.
